## *PRESIDENT'S SPOT*

*Hello members and friends—*

*Another busy month has passed and “Quartet” is finally ready for its opening on the 17th September! It has been the longest “rehearsal period” ever, starting in February, stalling for several months*

*and then adding a change of cast and now a sell-out due to the fact that we are only able to accommodate 78 patrons at any performance and the fact that our audiences have been ‘starved’ of Limelight productions to entertain them! Thank you all for coming back to us and supporting the cast and crew.*

*You will discover, when you come to the theatre, that we have had to put in a few changes in order to comply with COVID-19 restrictions. Principally the limit of 78 patrons in the auditorium, but also a restriction of approximately 40 patrons in the foyer at any given time. To help us comply with these restrictions we will extend the interval to 30 minutes (instead of the usual 20 mins) to allow for reasonable physical distancing. And I’d like to thank you in advance for helping us do the right thing.*

*Following “Quartet” we will be presenting the “Gala Awards Night”, and once Patrick has completed the huge task of collating the bookings for “Quartet”, we will open a booking system for the 10th October.*

*When “Peter Pan” is presented in November, we hope that the regulations may be less restricting and we may be able to have full houses for this production.*

*With regard to our productions in 2021, we already have the first season ready to commence its rehearsal fairly soon, and the reading committee are still getting through all of the submissions we have received. Once we have collated the results of their labours, we will be able to announce the program for next year following the October committee meeting.*

*See you at the theatre!*  
*Shelley*

Following very successful auditions, Kathleen Del Casale, the director of “Peter Pan” is delighted to announce the cast for this end of year production.

Production dates are: 26th November to 12th December 2020
